illuminates your life and elevates your success.

AV Requirements

Note: Renee will work with you whatever your resources and equipment. This document outlines Renee's preferences.

Technology Required

Renee uses her own laptop and does not provide the presentation prior to the event; please ensure she can have the laptop on stage with her, connected to your projection equipment.

For all engagements, Internet connectivity is preferable.

Sound Required

Renee moves around and interacts with the audience.

Her preference is a lapel or 'Madonna' microphone however happy to use a hand held if required. Please ensure the microphone has brand new batteries, please.

Materials Required

Every attendee should have access to his or her own paper and pen. For workshops, this is essential. Unless previously discussed and workbooks will be supplied by Renée Mayne.

Room Setup

Depends on whether it is a workshop or keynote. This is discussed before the event.
